LATITUDES WINS BEST OUTDOOR DINING AWARD FROM OPENTABLE.COM

Key West, Fla. – June 1, 2011 – Latitudes restaurant at Sunset Key Guest Cottages, A Westin Resort, has been named to the 2011 Diners' Choice "Best Outdoor Dining" list as recently announced by OpenTable (www.OpenTable.com), a leading provider of online restaurant reservations.

Perched on Sunset Key's sandy shoreline, Latitudes restaurant and lounge opened in April 2010 and offers the best location in the Keys to enjoy casual island fare with a Caribbean flair and sweeping, unobstructed views of the spectacular sunset over the Gulf of Mexico. An innovative, yet unintimidating, seasonal menu features local fish and fresh produce; a variety of island classics; an ample selection of traditional meats, poultrys and pasta plus favorite breakfast and lunch items. Latitudes is on the west side of Sunset Key and can be easily accessed by taking the resort's charming, ten-minute boat ride which launches from its sister property, The Westin Key West Resort & Marina, located on Front Street in Key West. Latitudes is open daily for breakfast, lunch and dinner as well as "small plates" and cocktails.

"We are so proud of Latitudes' placement on the Diners' Choice 'Best Outdoor Dining' list," said Diane Schmidt, general manager for Sunset Key Guest Cottages, A Westin Resort. "While we have to give Mother Nature a lot of the credit for her stunning Key West sunset scenery, we strive to capitalize on this backdrop with outstanding food and impeccable service, creating an unforgettable experience for our guests."

The list of winners is derived from more than seven million reviews submitted by OpenTable diners for more than 12,000 restaurants in all 50 states and the District of Columbia. Based on feedback collected from OpenTable diners between April 2010 and March 2011, the 50 award-winning restaurants received the highest scores.
