***LATITUDES BECOMES ONLY FLORIDA ESTABLISHMENT
TO MAKE TOP 50 LIST OF DINER'S CHOICE AWARDS FOR
MOST ROMANTIC RESTAURANT***

Key West, Fla. – February 9, 2011 – Latitudes restaurant at Sunset Key Guest Cottages, A Westin Resort, has been named to the Top 50 list of *Diner's Choice Awards for Most Romantic Restaurant*, as announced this month by OpenTable (www.OpenTable.com), a leading provider of online restaurant reservations. The list of winners is derived from more than seven million reviews submitted by OpenTable diners in 2010, for more than 12,000 restaurants in all 50 states and the District of Columbia. Latitudes is the only restaurant in the state of Florida to make the distinguished Diner's Choice list.

Perched on Sunset Key's sandy shoreline, the new Latitudes restaurant and lounge opened in April 2010 and offers the best location in the Keys to enjoy casual island fare with a Caribbean flair – and sweeping, unobstructed views of the spectacular sunset over the Gulf of Mexico. An innovative yet unimposing seasonal menu features local fish and fresh produce, a variety of island classics, and ample selection of traditional meats, poultry and pasta plus favorite breakfast and lunch items. Latitudes is on the west side of Sunset Key and can be easily accessed by taking the resort's charming, ten-minute boat ride which launches from its sister property, The Westin Resort & Marina, located on Front Street in Key West. Latitudes is open daily for breakfast, lunch and dinner as well as "small plates" and cocktails.

"Having been open for less than a year and as the only restaurant honored within the state of Florida, we are especially proud of Latitudes' placement on Diner's Choice Awards Top 50 List of Most Romantic Restaurants," said Diane Schmidt, general manager for Sunset Key Guest Cottages, A Westin Resort. "Our entire culinary and service team strives to offer an exceptional dining experience, and we are always pleased to receive such accolades from those who dine with us."
