Sunset Key Guest Cottages, A Westin Resort, and The Westin Key West Resort & Marina Partner with Clean the World

Key West, Fla. – June 7, 2011 – Sunset Key Guest Cottages, A Westin Resort, and The Westin Key West Resort & Marina are excited to announce their partnership with the Clean the World program, a non-profit organization dedicated to saving the millions of lives lost worldwide each year to infections and other illnesses caused by lack of cleaning products and inadequate hygiene practices.

Clean the World hotel partners collect and donate slightly used soap, shampoo and other hygiene products used in their guestrooms. Instead of being discarded, Clean the World recycles and sanitizes these materials and distributes them, along with appropriate educational materials, to impoverished countries worldwide, and to domestic homeless shelters.

“Sunset Key Guest Cottages and The Westin Key West Resort & Marina are committed to giving back to our local and global communities,” said General Manager Diane Schmidt. “We are proud to be part of the Clean the World program and look forward to working with them to improve living conditions for people throughout the world.”
